Please include above ISSME publications in your serials collections. I strongly recommend that our Library subscribe to the publications for the following reasons (tick as appropriate):

- Reference:** The publications are directly related to my field and are an important source of reference for my research. I need to refer to articles, best practices, case studies, success stories, etc. from them frequently in the course of my work.
- Benefit to Library:** I confirm the magazine, bulletin and journal's high quality content will benefit the research/teaching needs of our institution/organisation. These publications will complement the library's collection and strengthen our information resources
- Student Referral:** It is critical that students have access to this information to best facilitate their course work and academic pursuits. I will be referring my students to ISSME publications regularly to assist their studies.
- My Affiliation:** I am editorial board member of the ISSME Publications. I therefore strongly support their publications as an essential resource.
- Other:** I have other reasons for recommending ISSME Publications which are as follows:
